The Wetlands can design a menu to satisfy any group. The options above are some of the possibilities. However, we also offer **steaks, clambakes** and other **fine dining options** to meet your needs. Please call **Sheila** to discuss your menu at 215-541-0161.

Minimum number of golfers for the Wetlands to cater an event is 32. A \$100 non-refundable deposit is required for all outings upon booking. The deposit is deducted from your final bill. Please make checks payable to THE WETLANDS, INC.

All the above prices include tax and gratuity. We will provide all cups, plastic ware, napkins, and trash bags. Your group is responsible for putting all trash in the receptacles in the pavilion and we will then dispose of them.

You are responsible for the payment of the number of golfers agreed to on your signed contract. You have seven days prior to your outing to confirm your final catering number. If you will be having any assistants or spouses who will be eating, they must be included in the final number.

Absolutely NO alcoholic beverages are permitted on Macoby Run Golf Course property unless they are purchased at The Wetlands. There are no coolers permitted on the course except in the case of medical necessity, the coolers must be inspected by Macoby Run staff.

Six packs are sold in the Pro Shop starting at \$11 each in a Macoby Run Golf Course cooler with ice. There is a limit of two six packs per cart. Tournaments can offer coupons to foursomes valid for soda or beer. Cases of water are available to purchase for your outing.

Groups can also purchase ¼ kegs or ½ kegs of beer for consumption after golfing. This will be served in the pavilion; beer will only be served on the course if your group has closed the course. Beer must be ordered at least 2 weeks prior to outing. Domestic beer ½ kegs start from \$180. If your group members prefer any other brand, please call for availability and price.
